

We want you to be a part of Impact 100 in 2020!!

Have you thought about joining Impact 100 but are trying to figure out how to fit it into your budget? We understand \$1000 is a stop and think gift and we don't take that lightly. Here are some ideas to help you if you want to be part of making an impact in our community!

First, set up a separate savings account at your bank and automatically transfer \$83.33 per month for 12-months and you will have \$1000, or \$91.67 per month to be a 110% member at \$1100.00! (The extra \$100 helps cover some of our expenses)

Also, did you know if you are 70 ½ years young the IRS requires you to take a required minimum distribution (RMD) from your traditional individual retirement account (IRA) even if you don't need the money? Did you know you can direct your RMD to the charity of your choice and avoid paying federal and state income taxes? Why not work with your investment professional to have a portion of your RMD directed to Impact 100 to become a member for 2020? Consult your tax preparer to see if this makes sense for you.

Finally, you could look around your house for treasures you have that you are no longer enjoying, post them on Facebook Market Place, Craigslist, or any one of the various online sites, and find someone else that might enjoy them. This will help declutter your home and earn funds to become an Impact 100 member. Who wouldn't love that?

We appreciate you considering Impact 100 membership in making our community a better place for all of us to thrive!
