To: Impact 100 TC

From: Old Town Playhouse

Below is a wish list from the Playhouse. Thank you for your impact in our community.

When plays resume, we always need volunteers for ushering, set building, costume sewing, etc.

Bark and help spreading bark in flower beds along Cass

Child size tap or jazz shoes, can be used

Speaker and microphone for laptops

Shelving or closet organization type materials for our prop room

Sewing notions or gift cards to JoAnns

Clear totes all sizes

Used but good condition furniture for our tired green room – cannot be large pieces

Office supplies, can be odds and ends – not binders

Used but good condition office furniture. We have a few old desks that are screaming to be put out to pasture

Bathroom counters and sinks, touchless fixtures

Large flower pots with flowers for around outside of building

Black or white paint, can be partial cans

Wood for set construction. At least 2'feet long

Used laptops if not more than a few years old

When young company after school classes resume next year, we would like to offer healthy snacks to the kids that come right from school.

Thank you.
