

## IMPACT 100

### Newton's Road Northwest Wishlist

We've organized our list by level of time commitment. Thank you so much for this opportunity to share our volunteer and other resource needs and wishes!

#### HAVE A FEW MINUTES?

1. Make Newton's Road Northwest your [AmazonSmile](#) giving organization
2. Like Newton's Road Northwest on social media: [Facebook](#), [Instagram](#), [LinkedIn](#)
3. Join the [NR Mailing list](#) to receive our newsletter and major announcements
4. Test our new Career Investigator for Northwest Michigan Tool, a localized career resource for youth (soft launch Sept 4: [URL](#)) and send feedback to [contactus@newtonroad.org](mailto:contactus@newtonroad.org)
5. Encourage your kid networks, kid's teachers and professional networks who are interested in STEM education to also do some or all of the above 4 items!

#### TAKES A FEW HOURS...

6. Add a local video/audio clip to a STEM Career on our Career Investigator for Northwest Michigan Tool (soft launch Sept 4: [URL](#))
  - 30 seconds video about a career (for Home page)
  - <1 minute video on how you make a difference in people's lives with this career
  - <2 minute video on a Local Advantage Learning Pathway to career (saves time and/or \$)
  - <3 minute video/audio/FAQ on Hear it from the Pros (more in depth info on career fit and advancement opportunities)
  - <3 minute video/audio/text/diagram on unique local STEM-related Real World Career Pathways (ex. Jen Marcenaro from Healthcare pro to IT pro)
7. You or someone you know tell youth about a local STEM-related career (ideally age 25-40) (ex. Quality Engineer; [see how Jody shared Accounting](#) careers!)
8. Design a new Newton's Road standup banner (have logo and branding elements available to work with!)
9. Recommend website enhancements to better support our Community Liaison Program Toolkit
10. Help us celebrate our Newton's Road 10-year anniversary in 2021 by sharing our message and taking advantage of the activities

#### BECOME A ROADIE! (Newton's Road volunteer)

11. Become a Newton's Road STEM Advocate in your community as part of our Community Liaison Program (or recommend someone who'd be a great fit!)
12. Help us write grants to further expand the impact of NR projects: Career Investigator Tool capabilities, STEM Kits expanded to be in schools, afterschool onsite programs, daycare, shelters, etc.
13. Career Investigator data entry and site feedback collection volunteer(s)
14. Participate in future STEM-related events (competitions, STEM Career Panels, Career Clubs, etc.)

If you are interested in any of these opportunities, please contact Barb Termaat [barbt@newtonroad.org](mailto:barbt@newtonroad.org)!
